

Cresto, Core Active, Rescue 1154R

Harness 1154R

- Max 150 kg user weight
- Manual buckles
- One-size

EN 1497 : 2007

EN 361 : 2001

Product description

The harness is a one-size harness with high-quality components and Cresto standard NordGuard webbing. It is an economical and smart solution for situations where the harness will need to be replaced due to paint, oil, or epoxy. The extra rescue D-ring in the back is certified as a normal connection point "A" as well.
