

CRESTO, WORKER BASE 1115

Harness 1115

- Manual buckles
- For user up to 140 kg
- One-size

Standards: EN 361 : 2002

Product description

Worker Base is a harness in classic design with manual buckles and with connection points on the chest and back.

Worker Base is a harness with manual buckles and with connection points on the chest and back. The harness is tested and approved for users up to 140 kg and is manufactured in one-size. The harness is made of a robust 45 mm polyester belt that can handle 38 kN, which is characteristic of a Cresto harness.
